

Accelerate Performance - Price Management & Compliance

Accelerate performance in global price management and compliance through integrated in-plant, DC, and store level solutions reducing complexity while improving speed and accuracy.

Pathfinder® 6057 – An Intelligent One-Piece Price Management Solution

The Avery Dennison Pathfinder® 6057 allows retailers to quickly and accurately price and markdown items while reducing labour costs.

Compared to traditional “red pen” manual marking methods the Avery Dennison Pathfinder® 6057 offers:

- **Reduced Labour Costs Through Increased Speed and Productivity.** In internal tests, Avery Dennison Pathfinder 6057 performed over 50% faster than traditional “red pen” manual marking methods.*
- **Improved Pricing Accuracy and Margins.** The data collection, real time communication and storage ability of the Avery Dennison Pathfinder 6057 eliminates error-prone manual data matching processes. Improved accuracy and the ability to complete markdowns on time, first time, drives improved margins.
- **Improved Customer Service.** Training needs are minimal. Sales associates can perform labelling tasks in less time and on the sales floor, all ensuring associates are constantly available to customers.
- **Elevated Brand and Profitability.** Visual consistency of pricing labels protects and further elevates brand while minimizing fraud and shrinkage.

Faster, More Accurate Than Two-Piece Price Marking Solutions

The unique one-piece scan, print and apply feature of the Avery Dennison Pathfinder 6057 also outperforms competitor two-piece printer and data collection solutions:

- Barcode scanning, label printing and application are performed with just one hand. Reduced associate item handling and manoeuvring streamlines item marking and markdowns and increases speed by 42%.
- Less integration and IT support needed.

Scan, print and apply – it’s that simple!

Compared to previous models in the Avery Dennison Pathfinder series, the Pathfinder 6057 is faster, easier-to-load, smaller, lighter and has additional storage capacity.

Elevating Brands. Accelerating Performance.

Experience this and many other supply chain solutions at our worldwide Customer Design and Innovation Centers. For more information on the Avery Dennison Pathfinder 6057 or to schedule a tour of our Customer Design and Innovation Centers, please contact your local Avery Dennison Representative

*Internal time study of marking down prices of 500 apparel pieces manually and with competitor two-piece solutions.

Price Management

Elevating Brands and Accelerating Performance
Throughout the Global Retail Supply Chain

Avery Dennison Pathfinder® 6057

Pathfinder® 6057 – An Intelligent One-Piece Price Management Solution

Standard Features

Dimensions:

Height - 250 mm (9.84")
Width - 209 mm (8.25")
Depth - 76 mm (3.00")
Weight - 0.88 kg (1.94 lbs)
Shipping Wt. - 2.52 kg (5.5 lbs)

Printing Method:
Thermal Direct

Printhead:
203 dpi

Print width:
48 mm

Keypad/Display:

Virtual Keyboard on Display. Three Software Controlled Contextual Keys, Off/On, Trigger, 1/2VGA (320x480 pixel) VGA colour graphics LCD with touchscreen

Operating Systems:

Microsoft® Windows CE .NET Version 6.0 R3

Memory:

128 MB RAM, 256 MB Flash
Optional Micro SD memory card

Communications:

- USB port
- Optional Summit 802.11 b/g radio card
- Bluetooth

Barcode Types:

UPCA +2/+5, UPCE +2/+5, EAN8 +2/+5, EAN13 +2/+5, Interleaved 2 of 5, Code 16k, Codabar (NW7), Code 128, Code 39, MSI, PDF417, Code 93, Postnet, Maxicode, QR Code, GS1 Databar, Datamatrix and RSS

Standard Fonts:

TrueType® & International

Font Magnification:

4 to 200 pt. for scalable/TrueType fonts

Printer Warranty:

One (1) year parts and labour (return to base). Full written warranty statement is available on request.

Printhead Warranty:

Six (6) months, or one million inches (1,000,000"), whichever occurs first.

Supplies

The printer supports butt cut, die cut and continuous supplies.

Supply Types:

Tags, Labels, and Receipt Paper

Supply Sizes:

Width - 28 mm to 51 mm (1.1" up to 2.0")
Length - 14 mm to 203 mm (0.55" to 8.0")
Supply Roll lengths - 10.7 to 14.7 metres (420" to 580")
Custom lengths are available.
Minimum apply is 19 mm (0.785")

Supply Thickness:

Tags - 0.18 mm (7 mils)
Labels - 0.061 mm (2.4 mils)

Maximum Print Area:

48 mm x 201.7 mm (1.89" x 7.94")

Sensing:

Black mark only

Environmental Ranges

Operating Temperature:

5° to 40° C (41° to 104° F)

Storage:

-20° to 50° C (-4° to 122° F)

Humidity/Operating and Storage:

5% to 90% non-condensing

Electrostatic Discharge and Air Quality:

Some issues with electronic equipment may occur in environments prone to static discharge or extreme dust conditions. Avery Dennison suggests that you take precautions to minimize these issues.

Performance

Power Source:

Monarch® 7.4V Lithium Ion Battery Pack

Print Speed:

Up to 127 mm/sec (5 ips)

Print Ratio:

30% black maximum per square inch

Metres Per Charge:

Up to 76 meters (3,000") of 30% black printing on the supply. Factors such as scanning, use of LAN Radios and duty cycle can reduce metres printed per charge.

Battery Cycle Life:

Approximately 300 full discharge cycles. Many factors effect individual battery performance.

Recommended Duty Cycle:

33% Duty Cycle for continuous printing (5 minutes out of 15 minutes time intervals). On-demand or intermittent printing has no restrictions.

Options

- Integrated Laser Scanner
- 802.11 b/g Radio Cards
- Micro SD Memory Cards

Accessories

- Battery (part#12009502)
- 9465™ Four Station Battery Charger
- 9462™ Single Station Battery Charger
- Deluxe Hand Strap (part#124053)
- USB Cable
- 6055/6054 Communication/Charging/Docking Station
- Shoulder Strap (part#127333)
- Deluxe Padded Wrist Strap (part#126791)
