Lift tab for easy removal

Simplify food rotation!

BIG color day of the week labels are easy to identify from a distance.

See at a glance when food was prepared. Labels include areas for recording of important food rotation information.

Shelf Life Labels

Best used for food rotation and FIFO (First In, First Out) inventory.

- Check expiration date
- Maintain product rotation
- Keep track of employee name
- Indicate preparation and use by date on ready to eat foods
- Trilingual color coded
- Use for pre-portioned food
