

## Monarch® and Avery Dennison Tag Attachers—an Attacher for all reasons

When it comes to choosing the Attacher and Tagger Tail® Fasteners that are right for you—we're here to help!

At Avery Dennison we offer a complete line of quality Attachers for tagging the most delicate fabric to heavy-duty plastic—AND, everything in between.

***For most merchandise, the standard family of Tag Attachers and matching Tagger Tail Fasteners will be your choice.***

### Monarch® SG® Attacher general purpose needle

- Use to attach tags to knit, cotton, cotton twill and corduroy
- Soft, non-slip cushion comfort grip molded into handle and trigger
- Holds 100 Tagger Tail® Fasteners—can also use the 50 clip Fasteners
- Compatible with most other manufacturers' Fasteners
- Switch to heavy duty all steel needle—use Attacher to tag rugs, wool or upholstery
- One Year Written Warranty\*

\* Should anything other than a needle break return it for a brand new SG® Attacher.

### Avery Dennisons® Mark III™ Pistol Tool Attacher

- Ideal for tagging knit shirts, light to medium weight fabrics such as cotton
- Improved ergonomic design—easy squeeze mechanism for operator comfort
- Utilizes the 50 clip Fasteners

### Needle choices—gives you more options

- General Purpose SG® replacement needles are available with plastic shank or for thick, bulky fabric a heavy duty all steel needle
- Avery Dennison Mark III Attacher needles have a plastic base with all-steel needle. For heavier fabrics, the Mark III can be switched out to an all steel needle
