

Monarch® 9416® XL® Desktop Printer

Monarch®
Products and Services

Small and Mighty

When the workspace is tight, this printer is right!

The Monarch 9416 XL printer is available in thermal direct or thermal transfer, is versatile, has a small footprint and fits almost anywhere.

In the store, your sales associates can print out a new label or tag instantly, speeding returned merchandise back to the floor or returning it to the distribution center or vendor.

Equally at home on the shipping dock, it helps you move merchandise out the door with routing or shipping labels. Its simple design makes it easy to operate!

Speed

Featuring a leading edge processor, the Monarch 9416 XL printer can print at speeds of up to 7 ips, (5 ips on 300 dpi) increasing productivity when quick label or tag turnaround is essential.

Thermal Transfer Printer*

*Monarch 9416 TD XL
Thermal Direct Printer*

Versatility

Need a printer that can print on a wide array of supplies, thermal direct or thermal transfer?

With the Monarch 9416 XL printer, you can print labels, tags or receipts. Select from non-indexed, continuous, die cut, black mark, roll or fanfold.

Combine this with a easy-to-load clamshell design, and you've got a printer that works with YOUR supply requirements and is easy to use.

Free Software

For your convenience, a free starter edition of NiceLabel software is shipped with each printer!

Products and Services

Fully Loaded

The Monarch 9416 XL printer may be small, but it's big on memory, featuring 4 Mb Flash and 8 Mb SDRAM. With more memory to work with, print jobs go faster, increasing productivity. If this standard memory still isn't enough, install a standard SD memory card.

Options

You can expand the versatility of the Monarch 9416 XL printer by adding optional items such as Ethernet, keyboard, external supply holder and cutter.
