

We Supply You Comply

“Q” stands for Quick.

“Service” stands for pre-printed labels and tags to your specifications!

We Can Help

Faced with an urgent bar code or RFID labeling need?

Don't have an on-site printer to create the labels and tags you need?

Not ready to invest in one?

Let Avery Dennison print your Monarch® bar code labels and tags and RFID labels for you!

Hundreds of stocked labels to choose from.

Custom labels are also available.

Quick Turnaround

We print **your** data on any of our hundreds of in-stock labels or tags - in only 48 hours for repeat orders! If you don't see the tag or label you want in our Catalog, we'll custom quote any size or construction you need!

Lead time on initial orders varies due to the time it will take to design and approve your label format.

Here's How It Works: Barcode and Text

Call us at 800.543.6650, ext. 2096 or e-mail us at qservice@averydennison.com for our Q-Service® Order Form.

For fastest service, select any of the Monarch® 9800™ Series Stocked Labels or tell us the size and type of the supply you need, and we'll develop a quote for you.

We can print any image you need in black, including graphics, bar codes, etc.

Fax or e-mail us your Order Form, including label format and data needs.

Here's How It Works: RFID

- Call us at 800.543.6650, press 5, or e-mail us at rfid@averydennison.com for our Q-Service® for RFID Order Form.
- Choose from our full range of high quality RFID supplies, including 4"x6", 4"x2", 4"x1" and specialty supply sizes.

- We utilize high quality Avery Dennison antennae (transponders). For specialty applications, alternate types are available. We'll help you select what is right for you!
- Fax or e-mail us your Order Form, including label format, RFID data to encode, and the bar code/human readable information to print.

Full Quality Assurance

Your RFID data is verified to ensure it's correctly encoded and that any bar codes are correctly printed. Every label you receive is tested at least 3 times before leaving our factory. We are so confident in the

performance of our RFID labels, we provide a full money back guarantee... and then some!

Full information and requirements of the guarantee are available upon request.

Wal-Mart and DoD Formats

A complete library of Wal-Mart and Department of Defense formats are available to help keep you compliant.

Web-Based Ordering

For repeat orders, you can use our convenient web-based ordering system. Just log-on to our protected site, add your variable data and your order will be processed.

We Supply, You Comply

We can print any image you need in black, including graphics, bar codes, etc. We'll encode the RFID chip, UHF or HF, with the information you need. All you have to do is apply the label to your carton or pallet and ship it! A perfect solution for closed loop RFID needs as well!
